

e- Poster Presentations Guidelines

- Use Arial fonts
- Use plain background without pattern or dark colors
- Images should be clearly labeled and described
- Presentations should not contain any video clips/ animated files
- These e-poster presentations will be preloaded in the designated area.
- Each presenter will be given three minutes to present his/her poster.
- Each e-poster presentation will consist of **three slides only**.
 - **First slide:** Title, Authors, Affiliation etc.
 - **Second slide:** Introduction, Objectives, Methods
 - **Third Slide:** Results, Conclusion & References (not more than 5)
- Posters would be accepted in the following three tracks:
 - **Track 1:** Epidemiology and Health Effects of SLT & Areca Nut use
 - **Track 2:** Dependence and Cessation of SLT & Areca Nut
 - **Track 3:** Prevention and Policy interventions for SLT & Areca Nut
- All the information provided is full responsibility of the author (s)

How to submit e-Poster
